**Re: D.T.E. 01-20 – Verizon MA Exhibit List**

Dear Ms. Cottrell:

Enclosed herewith is the list of exhibits that Verizon MA has moved into evidence in this proceeding (Tr. 17, at 3531-3532). The list is in three sections. The first section lists each of the exhibits marked during hearings by Verizon MA that were not responses to information requests. (The responses to information requests were marked en masse.) The second section lists, individually, each of the responses to information requests that were filed by Verizon MA. The third section lists each set of information requests answered by other parties and the number of requests contained in the set.

If the Department requires a list of each request, Verizon MA would be happy to compile it. Thank you for your attention to this matter.

Sincerely,

Bruce P. Beausejour
